Category	Job Description
General/Persons with Disabilities	This category includes administrative, secretarial, and clerical support positions.
Professional	This category includes positions that require specialized qualifications and skills.
Project Based/ Specifically Assigned	This category includes positions for supporting projects managed by the Institute or supporting education and research activities at laboratories.

2. Open Positions

Details are provided in the attached List of Open Positions.

3. Eligibility Requirements

- **Permanent staff**

Applicants must be employed as permanent staff at the Institute as of March 31, 2025.

Notes:

- Permanent staff whose assignment ends in the middle of fiscal year 2024 are considered employed continuously until the year-end if their assignment ends due to project expiration or due to retirement or transfer of the faculty at their research lab (excluding permanent staff who retire at the end of March 2025).

- **Fixed-term staff and replacement staff (hired for leave coverage)**

Applicants must have served as fixed-term or replacement staff at Science Tokyo (including former Tokyo Tech and former TMDU) for a total of at least four years between April 1, 2004 (when Tokyo Tech and TMDU became national university corporations) and March 31, 2025. Non-consecutive periods of employment will also cumulatively count toward the 4-year requirement, and periods of non-employment will be ignored.

Notes:

- Fixed-term staff who leave or left Science Tokyo during fiscal year 2024 will be considered employed continuously until the end of the fiscal year when counting the number of years of service.
- Applicants must be under 62 years of age as of March 31, 2025.
