Closing Date for Application	Applications must be received by September 29 (Friday), 2023
Selection Process	Selection will be based on a comprehensive review of applications and interviews. Selected applicants may be asked to have an interview and/or give a presentation and a mock lecture. Please note that travel expenses for attending interviews will not be reimbursed.

<p style="text-align: center;">Required Documents</p>	<ol style="list-style-type: none"> 1. Curriculum vitae including professional and educational history (from high school onward), degrees, awards, and e-mail address. 2. Accomplishment statement, consisting the lists of your <ol style="list-style-type: none"> (i) Refereed journal papers (ii) Review articles, commentaries, etc. (iii) Books (iv) Patents (including those in pending) (v) Other notable accomplishments <p>In these lists, all items have to be sorted in newest-to-oldest order. Put underlines under the applicant's names. Indicate the total number of citations and the h-index of you, based on <i>Web of Science Researcher ID</i>.</p> 3. Up to two reprints of major publications 4. Research statement with a summary of research accomplishments and details of the future direction and plan for the applicant's work (free form, two A4 pages maximum) 5. Teaching statement that provides a summary of accomplishments (free form, one A4 page) and discusses ideas for teaching and learning (free form, one A4 page) 6. List of two references with their names, affiliations, positions, telephone numbers, and email addresses. 7. An Excel file downloaded from JREC-IN Portal named "Application Form_ZCAP_E_e_Applicant Name.xlsx" and filled with required information. Insert your name into the file name by replacing "Name" after the underscore. Do not change the xlsx file format. We can reject such a xlsx file with other required documents.
<p style="text-align: center;">How to Submit an Application</p>	<p>The required documents from #1 to #6 must be converted to PDF files, and archived to a ZIP compressed file with the Excel file #7. Other digital formats are not accepted. The total size of the ZIP file should be smaller than 20 MB. Please submit the ZIP file by one of the following methods:</p> <ol style="list-style-type: none"> 1) Please send the ZIP file by email as an attached file with the subject "Application for IIR Assistant Professor (Thermal engineering and materials)" to the email address below. The documents can be password-protected, if necessary. 2) Please submit the ZIP file as one file through JREC-IN portal Web (https://jrecin.jst.go.jp/seek/SeekJorDetail?fn=3&id=D123080017&In_jor=0&In=1). <p>A reply will be sent back to the applicant within three working days after submission. If no reply, refer to Prof. Yoshinao Kobayashi</p>
<p style="text-align: center;">Where to Submit</p>	<p>Prof. Yoshinao Kobayashi, Selection Committee, Professor of the Laboratory for Zero-Carbon Energy, Institute of Innovative Research, Tokyo Institute of Technology E-mail: kobayashi.y.at@m.titech.ac.jp</p>

Contacts	<p>Prof. Yoshinao Kobayashi, Professor of the Laboratory for Zero-Carbon Energy, Institute of Innovative Research, Tokyo Institute of Technology E-mail: kobayashi.y.at@m.titech.ac.jp</p>
Other	<ol style="list-style-type: none">1) Application documents will not be returned. The personal information provided in the submitted documents will be used solely for recruitment and not for any other purpose, pursuant to the Institute's applicable rules and regulations.2) Tokyo Institute of Technology, in order to ensure a diverse workforce, guarantees equal opportunities for all individuals regardless of nationality or gender.3) Smoking is prohibited on campus (excluding designated outdoor smoking areas).4) For more information, please refer to the following link. http://www.hyoka.koho.titech.ac.jp/eprd/recently/koubo/koubo.php?lang=en5) The progress of the selection can be found at the following website: https://www.iir.titech.ac.jp/job/info_en.pdf
