Assistant Professor
Tenure Track (Stage Gate Category)

Click [here](#) to learn more about the tenure-track system (stage gate category).

Affiliation	Department of Mathematics, School of Science
Position title	Assistant Professor The successful candidate will be employed under the tenure-track system (stage gate category).
Number of Openings	1
Area of Specialization	Mathematics (Geometry)
Job Description	1. Research on the above area 2. Teaching undergraduate and graduate courses of the Department of Mathematics and basic courses on Linear Algebra and Calculus of the Institute 3. Expected to be actively involved in managing the Department of Mathematics and the Institute 4. The successful candidate will engage in activities within one of the eight Visionary Initiatives (VIs), which serve as interdisciplinary research hubs. For an overview of the VIs, please refer to the following: https://www.isct.ac.jp/en/017/research/visionary-initiatives
Qualifications	Applicants must hold a Ph.D. degree, be near to completion of a PhD, or have equivalent qualification/experience in a related field of study.
Location	Ookayama Campus Nearest station: Ookayama
Working Hours	De facto working hours* under the discretionary labor system for professional work: 7 hours 45 minutes per day (38 hours 45 minutes per week) *Hours considered as working hours
Term	The appointment will be for up to five years ● The first five-year period (mentioned above) will be designated as the first-stage tenure-track period. If the candidate successfully passes the stage-gate review conducted approximately one year before the end of the first-stage tenure-track period, progression to a second-stage tenure-track period of up to five years will apply. ● The candidate may be promoted to a tenured Lecturer or tenured Associate Professor position if they successfully pass the tenure review conducted approximately one year before the end of the second-stage tenure-track period.

	● A candidate who does not pass the stage-gate review and is unable to proceed to the second stage will be reappointed to a fixed-term Assistant Professor position for a period of up to five years following the completion of the first-stage period, provided that they successfully pass the reassessment. ● The candidate may apply for Lecturer or Associate Professor positions that are publicly posted by Science Tokyo during the tenure-track period or a fixed-term reappointment period.
Probationary Period	6 months
Salary	The successful candidate will be paid under the “Annual Salary System with Lump-Sum Retirement Allowance” pursuant to the Institute’s Rules on Wage and Salary for Staff under Annual Salary System with Lump-Sum Retirement Allowance. In accordance with the rules, the amount of annual salary will be determined based on the candidate’s age, highest degree obtained, work experience, and other factors for the first fiscal year of employment, and will be based on performance evaluations in subsequent years. A retirement allowance will be paid separately at the time of retirement. ● Annual salary examples (including bonuses, etc.) • Assistant professor hired immediately after completing a doctoral degree (employment starting in April) First year: JPY 5,920,000 (general example) Subsequent years: Minimum*: JPY 5,970,000 Standard: JPY 6,650,000 Maximum*: JPY 7,910,000 *Minimum and maximum amounts may vary depending on performance evaluations. Important information: • <u>The amounts listed above are provided as examples based on Institute rules and do not directly refer to this specific position.</u> • Additional fixed allowances for commuting, housing, dependents, or other considerations may be provided separately to eligible candidates. • The amount of the first payment of the Addition to Annual Salary and the Performance-Based Bonus may vary depending on the length of time between the employment start date and the payment date. If a candidate is transferring

	from another national university or organization, their period of service at the previous institution may be taken into consideration.
